

SEC MEMORANDUM CIRCULAR NO. 3
Series of 2025

TO : ALL CONCERNED

SUBJECT : MANDATORY USE OF THE SEC ZUPER EASY REGISTRATION ONLINE (ZERO) IN THE REGISTRATION OF CORPORATIONS USING THE ELECTRONIC SIMPLIFIED PROCESSING OF APPLICATION FOR REGISTRATION OF COMPANY (eSPARC) and ONE DAY SUBMISSION AND E-REGISTRATION OF COMPANIES (OneSEC) as PORTALS

WHEREAS, the Commission endeavors to digitalize government processes in line with the objectives of Republic Act (RA) No. 11032 or the Ease of Doing Business and Efficient Government Service Delivery Act of 2018 or the Ease of Doing Business Act (EDBA);

WHEREAS, Section 7 of EDBA requires that all government agencies including LGUs adopt a zero-contact policy, unless strictly necessary with any applicant or requesting party concerning an application or request;

WHEREAS, Section 9(e) of EDBA necessitates government agencies, when applicable, to develop electronic versions of licenses, clearances, permits, certifications, or authorizations with the same level of authority as that of the signed hard copy, which may be printed by the applicants or requesting parties in the convenience of their offices;

WHEREAS, Section 17 of EDBA demands that government agencies shall automate business-related transactions by developing the necessary software and technology-neutral platforms;

WHEREAS, Section 8 of R.A. 8792, otherwise known as the Electronic Commerce Act (ECA), provides that electronic signatures on the electronic document shall be equivalent to the signature of a person of a written document if that signature is proved by showing that a prescribed procedure, not alterable by the parties interested in the electronic document existed;

WHEREAS, Section 27(a) and (b) of ECA prescribes that all government agencies shall accept the creation, filing, or retention of documents in the form of electronic data messages or electronic documents, as well as issue permits, licenses, or approval in the same manner;

WHEREAS, as part of the SEC's thrust to digital transformation, and in keeping with the relevant laws, rules, and regulations including EDBA and ECA, the Commission continually adopts digital innovations and develops application systems to streamline its processes and strengthen the delivery of its mandate;

WHEREAS, Section 179(a) of RA No. 11232, otherwise known as the Revised Corporation Code of the Philippines (RCC) provides that the Commission shall exercise supervision and jurisdiction over all corporations and persons acting on their behalf;

WHEREAS, Section 180 of the RCC mandates that the Commission shall develop and implement an electronic filing and monitoring system and shall promulgate rules to facilitate and expedite, among others, corporate name reservation and registration, incorporation, submission of reports, notices, and documents required under this Code, and sharing of pertinent information with other government agencies;

WHEREAS, Section 179 (o) and (p) of the RCC grants the Commission the power and authority to formulate and enforce standards, guidelines, policies, rules and regulations to carry out the provisions of the RCC and exercise other powers provided by law or those which may be necessary or incidental to carry out the powers expressly granted to it;

WHEREAS, Section 175 of the RCC authorizes the Commission to collect, retain, and use fees, fines, and other charges pursuant to the RCC and its rules and regulations;

WHEREAS, in line with the above mandates, the Commission developed Electronic Simplified Processing of Application for Registration of Company (eSPARC) and One-day Submission and E-registration of Companies (OneSEC), a sub-system of eSPARC, which both cater to the application for registration of corporations with the Commission, depending on the kind of corporation to be registered;

WHEREAS, the Commission issued Memorandum Circular (MC) No. 10, s. of 2024 which requires the creation and the registration of an Electronic SEC Universal Registration Environment (eSECURE) account for all individuals who wish to use and access the online services of the Commission;

WHEREAS, Section 2 of MC No. 10, s. of 2024 necessitates the credentialing of the eSECURE account for sensitive and critical online services¹ offered by the Commission where verification and establishment of identity of the user is required;

WHEREAS, Section 6 of MC No. 10, s. of 2024 introduced the SEC Electronic Submission Authentication Portal (eSAP), which allows users with credentialed eSECURE account to digitally authenticate documents such as but not limited to Articles of Incorporation, By Laws, Cover Sheet, and Certificate of Incorporation.

WHEREAS, Section 12 of MC No. 10, s. of 2024 states that the provisions in the said circular providing for the option to create an account in the eSECURE and/or to digitally authenticate documents using the eSAP shall not preclude the Commission from requiring the mandatory implementation thereof in the future, through an appropriate issuance;

WHEREAS, the Commission launched in 2024 the SEC Zuper Easy Registration Online (ZERO), which is an eSPARC² application that seamlessly integrates both with the eSECURE and eSAP platforms of the SEC;

NOW THEREFORE, in pursuit of sustainable practices, digital innovation, and streamlined and modernized processes, the Commission hereby promulgates the mandatory use of ZERO in the eSPARC and OneSEC Portals and other online services of the Commission.

SECTION 1. Definition of Terms. For Purposes of this Memorandum Circular:

- a. **Commission-** shall refer to the Securities and Exchange Commission;
- b. **Electronic Submission Authentication Portal (eSAP)-** an online service designed to digitally authenticate SEC documents by eliminating the need for affixation of wet signatures, notarization of documents, and submission of hard copies. In place of the conventional paper-based signatures, this platform utilizes One Time Passwords (OTPs) to electronically authenticate SEC required documents.
- c. **Electronic Simplified Processing of Application for Registration of Company (eSPARC)-** an online facility, which caters to applications for registration of domestic corporations (stock and

¹ SEC Electronic Submission Authentication Portal (eSAP); SEC Electronic Simplified Processing of Application for Registration of Company (eSPARC) – For Users Filing an Application; One-day Submission and E-registration of Companies (OneSEC) – For Users Filing an Application; Automated Certification Examination System (ACES); SEC Application Program Interface (API) Marketplace; SEC Electronic Registry Application for Market Participants (eRAMP); SEC eFAST Alternative Submission Environment (EASE); SEC Electronic Application for Modification of ENtity Data (eAMEND); and SEC iMessage and other SEC Complaints Systems.

² Gives the user a choice whether to register in eSPARC SEC ZERO (Regular with ZERO Processing or OneSEC with ZERO Processing Application) or use the normal way (Regular Only or OneSEC Only)

non-stock), partnerships, and foreign corporations. The system allows the applicant or his duly appointed representative to submit the proposed company name and input details of the articles of incorporation for review of the Commission. The ordinary processing of applications through the eSPARC is also referred to as the **Regular Processing**.

- d. **Electronic SEC Universal Registration Environment (eSECURE)**- creates a digital passport of an individual which grants the user access to the different online services provided by the Commission by implementing a repeatable Electronic Know Your Customer (eKYC) to determine authenticity of identity and establish reachability of persons transacting online with the Commission.
- e. **Domestic Stock Corporation**- a corporation formed, organized, or existing under the Philippine Laws, that has capital stock divided into shares and is authorized to distribute to the holders of such shares³, which shall include but not be limited to One Person Corporation (OPC) or regular corporation with 2 to 15 incorporators, board of directors, and stockholders.
- f. **One-day Submission and E-registration of Companies (OneSEC)**- a sub-system of eSPARC that aims for a one-day approval and caters to registration applications of Domestic Stock Corporations which may be a One Person Corporation (OPC) or a regular corporation with 2 to 15 incorporators, board of directors, and stockholders.
- g. **Zuper Easy Registration Online (ZERO)** - SEC ZERO is an eSPARC application of the Commission that seamlessly integrates with the eSECURE and eSAP platforms. This allows an applicant to digitally authenticate the system-generated forms for incorporation (e.i. Articles of Incorporation, By-Laws, Certificate of Incorporation, Certificate of Authentication, and Cover Sheet) through eSAP, thereby eliminating the need for physical signing and notarization of the registration documents. This application also eliminates the submission of hard copies of registration documents thus facilitating a complete, end-to-end, paperless registration process. The digitally authenticated certificate of incorporation will be automatically generated by the system and has the same validity as the original certificate.

Section 2. Mandatory Use of SEC ZERO in eSPARC and OneSEC

2.1 Mandatory Use of SEC ZERO. A user can register a new corporation through eSPARC and OneSEC using SEC ZERO as the only mode of processing.

2.2 Creation of an eSECURE Account for Each Signatory. To access and facilitate the registration using SEC ZERO, the user must create a credentialed eSECURE account for all incorporators/signatories of the proposed corporation in accordance with Section 3 of MC No. 10, s. of 2024.

2.3 Authentication of Signatures. The signatories will be able to authenticate their respective signatures through the SEC Electronic Submission Authentication Portal (eSAP) which is integrated into the eSPARC and OneSEC ZERO processing in accordance with Section 6 of MC No. 10, s. of 2024.

Section 3. Coverage of the Mandatory Use of SEC ZERO with eSPARC and OneSEC

3.1 Domestic Corporations. Upon the effectivity of this Memorandum Circular, Domestic Stock Corporations shall be processed through the SEC ZERO.

³ Section 3, Revised Corporation Code

Type of eSPARC Registration	Coverage
REGULAR with ZERO Processing	Domestic Stock Corporations (except Lending Companies and Financing Companies) <ul style="list-style-type: none"> - All Filipino or with foreign equity corporation - One Person Corporation - Corporation with 2 to 15 incorporators
OneSEC with ZERO Processing	Domestic Stock Corporations (All Filipino) <ul style="list-style-type: none"> - One Person Corporation - Corporation with 2 to 15 Incorporators

3.2 Other Types of Corporations.

The Regular Only mode of processing shall continue to apply to other types of corporations, not included in the above table (e.g. lending companies, financing companies, and foreign corporations), for **three (3) months** from the effectivity of this Memorandum Circular. Thereafter, the mandatory use of SEC ZERO shall apply to the registration of other types of corporations.

3.3 Registration of a New Corporation Through Regular with ZERO Processing.

The procedure for the registration of a new corporation through Regular with ZERO Processing is attached as Annex "A". The Commission may amend the procedure as it may be deemed necessary. Future amendments to the step-by-step process shall be uploaded to the SEC website.

3.4 Registration of a New Corporation Through OneSEC with ZERO Processing Application.

The procedure for the registration of a new corporation through OneSEC with ZERO Processing is attached as Annex "B". The Commission may amend the procedure as it may be necessary. Future amendments to the step-by-step process shall be uploaded to the SEC website.

Section 4. Inquiries and Technical Support

For other inquiries, clarifications, and/or technical concerns on the implementation of the ZERO, users are requested to contact Information Systems Development and Management Division (ISDMD) of the Information and Communications Technology Department by submitting a ticket on the iMessage portal (<https://imessage.sec.gov.ph>). The help desk shall be available from 8:00 AM to 5:00PM during workdays.

Section 5. Modification or Amendment

All other circulars, memoranda, notices, and implementing rules and regulations that may be inconsistent with the foregoing provisions shall be deemed modified or amended accordingly.

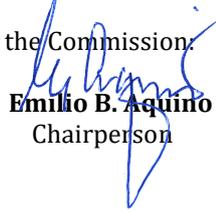

The provisions in this Memorandum Circular providing for the mandatory use of the SEC ZERO in the eSPARC and OneSEC shall not preclude the Commission from amending or revising any clauses herein that may improve the implementation of these rules, through an appropriate issuance(s) or notice to the public.

Section 6. Effectivity

This Memorandum Circular shall immediately take effect upon its publication in two (2) newspapers of general circulation in the Philippines.

Makati City, Philippines, 4 April 2025.

SEC Zuper Easy Registration Online (ZERO) is an Electronic Simplified Processing of Application for Registration of Company (eSPARC) application that seamlessly integrates with the Electronic SEC User Registration Environment (eSECURE) and Electronic Submission Authentication Portal (eSAP) platforms. This allows applicants to digitally authenticate the system-generated forms through eSAP, thereby eliminating the need for physical signing and notarization of the registration documents. Submission of hardcopies of registration documents will also be removed thus facilitating a complete, end-to-end, paperless registration process. The digitally authenticated certificate of incorporation will be automatically generated by the system and has the same validity as the original certificate. SEC Zero enables applicants to register their companies anytime and from anywhere in the world.

Steps in Applying SEC ZERO with Regular Processing

1. To apply, select Regular Processing, click the “Proceed” button.

2. A brief description of the application is shown to allow users to choose on what application they prefer, for regular processing select “Proceed Regular with Zero Processing Application”

Regular Processing

This is a facility to cater application for registration of One Person Corporation (OPC) and Domestic corporations (stock and non-stock) with 2 or more incorporators who may either be natural person, partnership, association or corporations, singly or jointly with others but not more than fifteen (15) in number. The system allows the applicant or his duly appointed representative to submit the proposed company name and input details of the articles of incorporation for review of the Commission.

Aside from this, application for the recording of partnerships and license to do business for foreign corporations are now available in the ESPARC.

Applicant will be advised on the status of the review through the email address indicated on the application form within seven (7) working days.

Once the application is qualified for payment, applicant may pay the registration/license fees specified on the Payment Assessment Form (PAF) to any of the payment gateways (eSPAYSEC, Landbank Over-the-Counter).

After payment, please submit a copy of the proof of payment together with the two (2) hard copies of originally signed AND authenticated or notarized registration documents through a two-way transmittal system via courier/registered mail addressed to the SEC Main Office or to the selected Extension Office anytime within sixty (60) calendar days from the date of approval stated in the Certificate of Incorporation.

However, if the registration application is disapproved, representative of the applicant corporation has to edit and/or correct the data in the application form/s as set forth in the compliance notice of the assigned name verifier/processor to facilitate the processing of its application. The applicant may opt to cancel the application and re-apply accordingly should it be deemed necessary.

Please download the user guide to know the step-by-step procedures of the system.

TERMS OF SERVICE

The SEC - ESPARC is a facility to cater application for registration of One Person Corporation (OPC) and Domestic corporations (stock and non-stock) with 2 or more incorporators who may either be natural person, partnership, association or corporations, singly or jointly with others but not more than fifteen (15) in number. The system allows the applicant or his duly appointed representative to submit the proposed company name and legal details of the articles of incorporation for review of the SEC.

Aside from this, application for the recording of partnerships and license to do business for foreign corporations are now available in the ESPARC.

Applicant will be advised on the status of the review through the email address indicated on the application form within seven (7) working days.

Once the application is qualified for payment, applicant may pay the registration/license fees specified on the Payment Assessment Form (PAF) to any of the payment gateways (eSAP/SEC, Landbank, Over-the-Counter).

After payment, please submit a copy of the proof of payment together with the two (2) hard copies of originally signed AND authenticated/ notarized registration documents through a two-way transmitter system via courier/registered mail addressed to the SEC Main Office or to the selected Extension Office anytime within sixty (60) calendar days from the date of approval stated in the Certificate of Incorporation.

However, if the registration application is disapproved, representative of the applicant corporation has to edit and/or correct the data in the application forms as set forth in the compliance notice of the assigned name verification officer to facilitate the processing of its application. The applicant may opt to cancel the application and to re-apply accordingly should it be deemed necessary. Please download the [user guide](#) to know the step-by-step procedures of the system. For further inquiries and assistance, please email cpnl_registration@sec.gov.ph

By using this facility and proceeding to the application form, you agree on the following:

- That you have read and understood the **privacy policy**.
- That you shall provide all the necessary information in pursuance of your company's application for registration or license, and said information are true and correct and were entered without any intention of defrauding the Philippine Government.
- That you shall pay the applicable fees, and submit proof of payment together with the originally signed AND authenticated/ notarized hard copies of the registration requirements to SEC within the above-specified period once the application form is approved.
- That the Certificate of Incorporation (COI)/ Certificate of Recording License to do business will be released upon presentation of the proof of payment based on existing guidelines on submission and releasing of documents and the accomplishment of the personal declarations related to the applicant company's beneficial ownership information.
- That the registration documents submitted shall be subjected to post-evaluation by the relevant operating department of the Securities and Exchange Commission to determine compliance with the applicable laws, rules, and regulations, substantiating the issuance of the COI/Certificate of Recording License to do business.
- Any falsity, misrepresentation or fraud determined during post-evaluation contained in the Articles of Incorporation and/or Bylaws for corporation, Articles of Partnership or Application of License to do business shall constitute valid grounds for revocation of the registration and/or cancellation of the COI/Certificate of Recording License to do business issued including the filing fee. This is without prejudice to the filing of criminal charges against persons responsible for violation of Title XXI of the Revised Corporation Code of the Philippines as well as other applicable laws, rules, and regulations. However, minor corrections may be cured by filing Petition for Correction, if allowed, or filing an application for amendment of the Articles of Incorporation and/or Bylaws for corporation, Articles of Partnership or Application of License to do business filed within ninety (90) calendar days from notice.

Annex B

User Guide for Registration of a New Corporation through OneSEC with ZERO Processing

URL: <https://esparc.sec.gov.ph>

SEC Zuper Easy Registration Online (ZERO) is an Electronic Simplified Processing of Application for Registration of Company (eSPARC) application that seamlessly integrates with the Electronic SEC User Registration Environment (eSECURE) and Electronic Submission Authentication Portal (eSAP) platforms. This allows applicants to digitally authenticate the system-generated forms through eSAP, thereby eliminating the need for physical signing and notarization of the registration documents. Submission of hardcopies of registration documents will also be removed thus facilitating a complete, end-to-end, paperless registration process. The digitally authenticated certificate of incorporation will be automatically generated by the system and has the same validity as the original certificate. SEC Zero enables applicants to register their companies anytime and from anywhere in the world.

Accessing SEC ZERO

1. To access SEC ZERO, proceed to log-in page. Click the “Login” button.

2. The Applicant must have a credentialed eSECURE account to register with SEC ZERO. Log in the eSECURE account and click the “Sign-In” button.

A screenshot of the SEC-ESPARC OneSEC with ZERO Processing application form. The page has a green header with the SEC-ESPARC logo and "Account" on the right. On the left, there is a sidebar with a list of steps: 1. ZERO Processing Prerequisite, 2. Fill-up Form, 3. Authenticate Documentary Requirements via eSAP, 4. Pay Registration Fees, 5. Download Digitally Signed Certificate of Incorporation, and 6. Continue to Philippine Business Hub. The main content area is titled "OneSEC with ZERO Processing" and "STATUS: Draft". It shows the "Name Verification Status (Initial System Verification)" section with a "Click here to Refresh Status" button and a note: "NOTE: You can continue to fill-up the rest of the application while waiting for the name verification process to complete." Below this, the company name "CHILDRENS CHOICE TOYS SHOP MERCHANDISING INC." is shown as "Queued". The form is divided into two steps: Step 1 (Name Verification) and Step 2 (Company Details). The "PRINCIPAL OFFICE ADDRESS" section includes fields for Region, Province, City/Municipality, Town/District, and Barangay, along with Zip Code, Street Name, Building Name, Subdivision/Village/Zone, Unit/Room/Floor/Building#, and Lot/Block/Phase/House No. The "Official Company Contact Details" section includes fields for Last Name, First Name, Middle Name, Nationality, TIN/Passport, Gender, Official Mobile Number, Alternate Mobile Number, Official Email Address, Alternate Email Address, Landline Number, Local (if applicable), and Website. A "Save and Proceed" button is at the bottom. A footer note says: "For further inquiries and assistance, please email cprd_registration@sec.gov.ph".

- The applicant will be redirected to Step 3, the Capital Structure page, complete the necessary details then click the “Save and Proceed” button
